

HOW TO GET HERE

BY CAR

Our Bolidt Innovation Center is easy to reach when travelling by car. Parking is available in the parking area opposite the Bolidt Innovation Center in front of the Esthec building, our sistercompany. There are 10 charging points for electric vehicles. Or you can use the parking at the Waterbus square. See the map below. Insert the following address: **Noordeinde 2, Hendrik-Ido-Ambacht**.

AQUATIC TRANSPORT

Staying in a hotel downtown or simply enjoy arriving over water? No problem. Take the Waterbus from Rotterdam to Hendrik-Ido-Ambacht, offering disembarkation possibilities in close proximity of the Bolidt Campus.

Visit the websites [Waterbus](#) for more information.

PUBLIC TRANSPORT

Feel like blending in with the locals and don't mind putting a little more effort in getting to our Bolidt Campus? There are two options to choose from.

TRAIN – BUS COMBO

Once you have arrived on train station Rotterdam Lombardijen, there is a good connection available to get to us. Hop on bus 392 and get off 20 minute later at (stop Waterbus Noordeinde), within close reach of the Innovation Center.

TRAIN – BIKE COMBO

Dare to 'go Dutch'? Take the NS train to Zwijndrecht station, where you can pick up an OV-bike (only available for those with an OV-bike plan). Biking will take you approximately 20 minutes to arrive on location.

Install the application '[92920V](#)' or have a look at their corporate website to retrieve one travel schedules combining all forms of public transportation required for you to reach us.
